Founded in 1983, WAA is a not-for-profit organization open to people of all ages with the desire to learn more about astronomy and who share an interest in viewing the universe. We range from enthusiastic amateurs and educators to casual stargazers and families.

Benefits include:

- The WAA web site, a resource for all sorts of astronomical information
- Monthly email newsletter, SkyWAAtch
- Monthly meetings of the club at Pace University, Pleasantville (Friday, 7:30 pm) with guest lecturers
- Monthly Saturday star parties at Ward Pound Reservation, Cross River, NY (weather permitting)
- Regular email blasts highlighting club events and special astronomy events in the Westchester area
- Discounts on subscriptions to *Sky & Telescope* and *Astronomy* magazines
- An opportunity to network with other WAA members

Dues are only \$25 annually for an individual or family.

Please provide the information below and send your check for \$25 to the above address.
